I LOVE MY MUM

My Mum loves me. She works hard all the time and I learn so much from her. When my Mum cooks I learn how to cook too. When she waters the flowers, I learn how to water the flowers too. When she washes our clothes, I learn how to wash our clothes too. When she dries our clothes, I learn how to dry our clothes too.

My Mum also bought me a bicycle and she taught me how to ride it. As I ride my bicycle my Mum smiles when I go “Weeeeeeee!”

At night my Mum makes the bed, I learn how to make the bed too. Before bedtime my Mum tells me stories. When I am sleepy my Mum sings me a lullaby. I love my Mum so much.

Happy Mother’s Day.

Love Emma
